DECREE OF THE PRESIDENT OF THE ITALIAN COUNCIL OF MINISTERS of 9 March 2020

Further implementing provisions of Decree-Law No. 6 of 23 February 2020 on emergency measures for the containment and management of the COVID-19 epidemiological emergency applicable throughout the national territory. (20A01807) (Italian Official Gazette - General Series No. 76 of 22 March 2020)

Given the Order of the Minister of the Interior and the Minister of Health of 22 March 2020 on “*Further urgent measures on containment and management of the COVID-19 epidemiological emergency, applicable throughout the national territory*”;

Whereas the World Health Organisation on 30 January 2020 declared the COVID-19 outbreak to be a public health emergency of international concern;

Given the resolution of the Council of Ministers of 31 January 2020, which declared, for six months, a state of emergency on national territory relating to the health risk associated with the onset of diseases caused by transmissible viral agents;

Given the evolution of the epidemiological situation, the particularly widespread nature of the epidemic and the increase in cases on national territory;

Considering it necessary to implement further measures for the containment and management of the COVID-19 epidemiological emergency throughout the country;

Considering, moreover, that the supranational dimensions of the epidemic phenomenon and the involvement of several areas on national territory make it necessary to take measures to ensure uniformity in the implementation of the prophylaxis programmes developed at international and European level;

Considering the recommendations of the Scientific Technical Committee referred to in article 2 of the Ordinance of the Head of the Department of Civil Protection on 3 February 2020, No. 630, at its meetings of 28 February 2020 and 1 March 2020;

On the proposal of the Minister of Health, having heard the Ministers of the Interior, Defence, Economy and Finance, as well as the Ministers of Education, Justice, Infrastructure and Transport, University and Research, Agricultural, Food and Forestry Policies, Cultural Heritage and Activities and Tourism, Labour and Social Policies, Public Administration, Regional Affairs and Autonomies, and having heard the President of the Conference of Presidents of the Regions;

DECLARES

Article 1

(Urgent measures to contain the contagion throughout the national territory)

1. In order to counter and contain the spread of the COVID-19 virus, the following measures shall be taken throughout the country:

a) all industrial and commercial production activities, with the exception of those listed in Annex 1 and subject to the following provisions, shall be suspended. Professional activities shall not be suspended and the provisions of article 1, point 7, of the Decree of the President of the Council of Ministers of 11 March 2020 shall not be affected. For public administrations, the provisions of article 87 of Decree-Law No. 18 of 17 March 2020 shall not be affected. For commercial activities, the provisions of the Decree of the President of the Council of Ministers of 11 March 2020 and the Order of the Minister of Health of 20 March 2020 shall not be affected. The list of codes set out in Annex 1 may be amended by Decree of the Ministry of Economic Development, upon consultation with the Ministry of Economy and Finance;

DECREE OF THE PRESIDENT OF THE ITALIAN COUNCIL OF MINISTERS of 9 March 2020

Further implementing provisions of Decree-Law No. 6 of 23 February 2020 on emergency measures for the containment and management of the COVID-19 epidemiological emergency applicable throughout the national territory. (20A01807) (Italian Official Gazette - General Series No. 76 of 22 March 2020)

b) it is forbidden for all individuals to move or travel, by public or private means of transport, to a municipality other than the one in which they are currently located, except for proven working needs, of absolute urgency or for health reasons; consequently, in article 1, paragraph 1, letter a) of the Decree of the President of the Council of Ministers of 8 March 2020 the words “*It is permitted to return to one’s own domicile, home or residence*” are deleted;

c) production activities which would be suspended in accordance with point a) above may in any case continue if they are carried out remotely or through smart working;

d) the activities that are functional to ensure the continuity of the supply chains of the activities listed in Annex 1, as well as of the public utilities and essential services referred to in letter e), remain always allowed, subject to notification to the Prefect of the province where the production activity is located, in which the companies and administrations benefiting from the products and services related to the permitted activities are specifically indicated; the Prefect may suspend the above activities if he/she considers that the conditions referred to in the previous period do not exist. Until the adoption of the measures of suspension of the activity, it is legitimately exercised on the basis of the notification made;

e) activities that provide services of public utility, as well as essential services referred to in Law No. 146 of 12 June 1990, are in any case allowed. However, the suspension of the service of opening to the public of museums and other institutions and places of culture referred to in article 101 of the Code of Cultural Heritage, as well as services concerning education where not provided at a distance or remotely within the limits currently permitted, shall not be affected;

f) production, transport, marketing and delivery of pharmaceuticals, health technology and medical-surgical devices as well as agricultural and food products is always allowed. Any activity that is in any case functional to deal with the emergency is also permitted;

g) the activities of plants with a continuous production cycle are allowed, subject to notification to the Prefect of the province where the production activity is located, whose interruption would result in serious damage to the plant itself or a danger of accidents. The Prefect may suspend the aforesaid activities if he/she considers that the conditions of the previous period do not exist. Until the measures of suspension of the activity are adopted, it shall be legitimately exercised on the basis of the declaration made. In any case, the activity of the aforesaid plants aimed at guaranteeing the provision of an essential public service shall not be subject to notification;

h) the activities of the aerospace and defence industry, as well as other activities of strategic importance for the national economy, are permitted, subject to authorisation from the Prefect of the province where the production activities are located.

2. The Prefect shall inform the President of the Region or Autonomous Province, the Minister of the Interior, the Minister of Economic Development, the Minister of Labour and Social Policy and the police of the notifications received and the measures adopted.

3. Companies whose activities are not suspended shall comply with the contents of the common protocol for the regulation of measures to combat and contain the spread of the
